

TINA SALERNO

CRIMINAL LAWYER AND PHD STUDENT

BIOGRAPHY

PhD candidate in Cybersecurity at "IMT, School for Advanced Studies of Lucca" and at the University of Bologna since December 1, 2023.

Teaching tutor for the course on Digital Forensics and the Master's program "Personal Data Processing and Data Protection Officer," as well as the Digital Forensics course at the University of Bologna.

She conducts her research in the fields of Cybersecurity and Digital Forensics.

Her research interests particularly focus on the digital paradigms of the surveillance system as a means to combat crime during the investigation phase.

She was awarded the "AWS Scholarship" 2024 at "Ifoss," an international school of digital forensics directed by Professors S. Battiato, G. Ziccardi, and D. Curtotti.

She was qualified at the Court of Appeal of Catanzaro on November 4, 2022. She practiced law prior to her qualification, under the substitute representation of the Dominus, from 2020 to 2023 at the Anania Law Firm, specializing in organized crime, crimes against individuals, property, the environment, and public administration, and actively collaborating in the technical defense of criminal proceedings conducted by the DDA of Catanzaro for 416 bis of the Penal Code. She served as the Head of University Training in the Youth section of MF and was responsible for Young Lawyers and Trainees of the Forensic Movement in the Crotona Bar, providing training and courses on topics related to digital forensics. She obtained a second-level master's degree from "San Raffaele" University with a score of 110 with honors, with a thesis titled: "The Use of Trojans in Criminal Proceedings Conducted by the Anti-Mafia District. An Analysis of the Evidential Value of Wiretaps in the Stige Proceedings." She has acted as a teaching tutor at the accredited training institution "Consiform" in Calabria in Commercial Law, Marketing and Innovation, Labor Law, and Civil Law.
